

2009-2010 duPont Manual High School  
Partners for Excellence Donation Form

Manual's PTSA, through its *Partners for Excellence* campaign, has a proud history of success in procuring donations from families, alumni, and businesses and using those funds to purchase needed equipment and educational materials for students at Manual.

Last year's successful campaign allowed the PTSA to fund an extensive renovation of the Manual Counselors' offices adding a newly modernized College and Career Center, Attendance Office, Counselors' offices, restrooms, and sickroom. With updated furnishings, fresh paint, and redesigned space this is now a welcoming and comfortable area for students utilizing the services offered by our College and Career Center and the Manual Counselors.

On top of that we replaced old, bulky, small television screens with eight (8) new flat screen 42" monitors in the hallways and cafeterias at Manual providing the medium for communicating to students, faculty and staff daily announcements, club opportunities, school news, and more.

This year's *Partners for Excellence* Program is geared toward raising funds for another worthwhile project. Our goal is to purchase thirty (30) new laptops and portable computer carts for the school. We need your support to maximize the use of technology at Manual while minimizing the space. This project allows technology to be used in a any number of settings; conducting a science project outside, bringing the current events into the classroom while viewing live coverage of world events. The uses are endless and the need is great.

As you might expect, this is a very expensive project, so your financial support of this campaign is vital. We strongly encourage your participation in this worthwhile program. If you or your business would like to be a PTSA Partner for Excellence, please fill out the form below. If your company has a matching charitable giving program, we will happily help with the paperwork to submit a request for a match of your donation to your company. You will be recognized in the next PTSA print newsletter. Donations are tax deductible. If you'd like to get more details about our project, please contact Leslie Lenhart at [l.lenhart@insightbb.com](mailto:l.lenhart@insightbb.com), PTSA Chair of the *Partners for Excellence* program.
