

The Producers for the Youth Performing Arts School (YPAS) invite you to join the

Name Your Seat Campaign

You can honor a YPAS/Manual student or alumni; pay tribute to a special teacher, staff member, or administrator; memorialize a friend; or leave a message of encouragement.

When you **Name Your Seat**, an engraved nameplate will be placed on an audience seat to commemorate your donation. The YPAS building will be undergoing a significant renovation during the summer of 2016. Meanwhile faculty, alumni, students, parents and administrators prepare for the 40th Anniversary of the school in 2017/2018 school year. The **Name Your Seat Campaign** is a great opportunity to get involved with these projects and leave a lasting legacy in the Main Stage Theater.

Funds raised will be used to establish an ongoing fund to maintain and purchase equipment and technology at YPAS to ensure future students will be able to train and study in a state of the art facility. For additional info please visit The Producers website at producers.ypas.org
